

Hi Bill,

I have just closed on my second two tier trust arrangement, using NARS to create the Land Trust agreement and establish Equity Holdings Corp as the trustee - thanks a lot to you and Cari for timely and friendly help. Your system really is working for us - some money up front, cash flow of around \$200 per month, guaranteed and potential cash at termination on each of these - knock on wood and keep praying :)

Thanks so much!

Jon Bradham
